

"Transformation occurs when identification with the egoic self is dropped through a conscious realization of the Authentic Self." ~ Spiritual Liberation, p.249

When we have the intention to transform, we are giving our consent for our soul to pull the egoic trickster rug out from under us.

When we come home to our authentic self, we:

- ☉ Listen to our inner voice rather than the voice of the world ☉
- ☉ Forgive ourselves and others easily ☉
- ☉ Live our lives as happy givers ☉
- ☉ Do not need to be "RIGHT" or in control ☉
- ☉ Take responsibility for creating our reality and well being - ALL of it ☉
- ☉ Have a grateful heart ☉
- ☉ Choose Love FIRST with the intent of win-win ☉
- ☉ Allow others to be themselves ☉
- ☉ Discern between Reality and illusion ☉
- ☉ Choose happiness over drama ☉
- ☉ Align with spiritual principles ☉
- ☉ Bless everybody + everything ☉
