

# The Creative Process

You'll need:

- A seed of what you want to create in your garden
- Well fertilized soil to grow it in
- A hose to water your seed with Divine nourishment
- A shovel to dig out unwanted weeds

③ FLOWER (form, effect)  
things like intentions + desires,  
whether conscious OR unconscious,  
that ARE manifested in form

① SEED (conscious mind)  
things like intentions, desires,  
and qualities that we WANT  
to manifest.

② SOIL (creative medium)  
the law of Cause & Effect

Draw and name  
your seed (or seeds)  
and draw the  
soil: you are  
planting it in.
